TONBRIDGE SCHOOL

Scholarship Examination 2016

HISTORY

Wednesday 27th April 2016
11.00 am

Time allowed: 1 hour

Answer BOTH sections, taking care to read the instructions for each section.

Begin each section on a separate sheet of paper, with your name at the top, and hand in each section separately.

You should have been given this question paper and a sources booklet.

Section A is worth 30 marks and Section B is worth 20 marks.

SECTION A

*Answer **ALL** the questions in this section.*

You should spend about 35 minutes on Section A.

1. Study **Sources B and C**.

   How far do these sources agree? Explain your answer using details of Sources B and C.

   [10]

2. Study **Sources D**.

   Why was this source published in February 1861? Explain your answer using details of Source D and information from the introduction or other sources.

   [10]

3. Study **Sources E and F**.

   Does Source F prove that Lincoln was lying in Source E? Explain your answer using details of the sources and information from the introduction.

   [10]

[Total for Section A: 30]

SECTION B

*Answer **ONE** question only.*

You should spend about 25 minutes on Section B.

1. 'Religion was the most important driving force of the age.' How far you agree with this view in relation to any period of not less than 50 and not more than 200 years that you have studied?

   Your answer should identify a time period and examine the case for and against the claim in your answer using detailed examples, before reaching a conclusion.

   [20]

2. 'Economics was the most important driving force of the age.' Explain how far you agree with this view in relation to any period of not less than 50 and not more than 200 years that you have studied.

   Your answer should identify a time period and examine the case for and against the claim in your answer using detailed examples, before reaching a conclusion.

   [20]

3. 'The pursuit of power was the most important driving force of the age.' Explain how far you agree with this view in relation to any period of not less than 50 and not more than 200 years that you have studied.

   Your answer should identify a time period and examine the case for and against the claim in your answer using detailed examples, before reaching a conclusion.

   [20]

[Total for Section B: 20]
