General Marking Guidance

- All candidates must receive the same treatment. Examiners must mark the first candidate in exactly the same way as they mark the last.
- Mark schemes should be applied positively. Candidates must be rewarded for what they have shown they can do rather than penalised for omissions.
- Examiners should mark according to the mark scheme not according to their perception of where the grade boundaries may lie.
- There is no ceiling on achievement. All marks on the mark scheme should be used appropriately.
- All the marks on the mark scheme are designed to be awarded. Examiners should always award full marks if deserved, i.e. if the answer matches the mark scheme. Examiners should also be prepared to award zero marks if the candidate's response is not worthy of credit according to the mark scheme.
- Where some judgement is required, mark schemes will provide the principles by which marks will be awarded and exemplification may be limited.
- When examiners are in doubt regarding the application of the mark scheme to a candidate's response, the team leader must be consulted.
- Crossed out work should be marked UNLESS the candidate has replaced it with an alternative response.

Pregunta 13

M1: Hablar más de una lengua me ayudará a conseguir mejores puestos de trabajo. Estoy emocionado porque pronto podré hacer las prácticas laborales en Inglaterra. Aunque las instalaciones no son nada modernas, el colegio es bueno. Pero nos castigan a menudo por no hablar en inglés y llegar tarde a clase y eso me molesta.

Lugares españoles para visitar

Pregunta 14

Ejemplo

M1: Todos queremos viajar sin gastar mucho dinero y por eso te recomendamos Lanzarote.

Pregunta 14

M1: Además, tendrás buen tiempo garantizado todo el año. Cádiz es un destino ideal para bañarse en otoño y podrás hospedarte en los mejores albergues de España a muy buen precio. Para una buena oferta gastronómica, ve a Segovia. Podrás probar los mejores platos típicos con una buena cerveza. También encontrarás hoteles increíbles en el centro de la ciudad. Aunque es un destino menos conocido, no dejes de visitar Palencia. Todos los museos tienen zonas para los niños y hay muchos parques.
