This question is about the coming of war.

Chamberlain believed that international differences could be settled by talks between leaders. He met Hitler three times, and agreed to his takeover of the Sudetenland. As a result Hitler was able to take over Czechoslovakia and Poland. The blame for the Second World War can be put down to the failure of appeasement.

How far do you agree with this interpretation that the Second World War was caused by the failure of appeasement? [16]

Marks for spelling, punctuation and the accurate use of grammar and specialist language are allocated to this question. [3]
